Dear Parents / Carers

School Information Update - Coronavirus

In the current climate of the world health pandemic, where we find ourselves in an unprecedented situation regarding the potential threat of the Coronavirus, to help to safeguard and protect your children we have made the decision to postpone all meetings and events at both Warren Wood and Aegir Specialist Academies until further notice.

This includes Consultation Evenings, Easter Celebration events, review meetings and trips out of school. During next week, staff will make contact with you by phone to discuss your child's progress and the new targets on their Individual Learning Plans.

We continue to be highly vigilant and follow Government / Public Health England advice and updates as they are published.

We ask you too, to ensure that you follow Government / Public Health England guidelines and hygiene advice with regard to preventing the spread of infection.

Please do not hesitate to contact us by email or phone if you require any further information.

Up-to-date information will continue to be posted on our websites.
